

The 8th Conference on Neutron Scattering (CNS 2026) will be held at Anushaktinagar, Mumbai. The conference aims to provide a platform for discussing recent advances in condensed matter physics research using neutron scattering, as well as the latest developments in neutron scattering instrumentation and facilities.

Venue
The Venue of the conference is Training School Hostel, Anushaktinagar, Mumbai.

Anushaktinagar, the residential township of Bhabha Atomic Research Centre (BARC), is located in the Eastern Suburbs of Mumbai.

Topics: The conference will cover applications of neutron scattering in the following areas:

- ✓ Magnetism and Superconductivity
- ✓ Energy and Green Materials
- ✓ Soft Matter and Biological Systems
- ✓ Nanomaterials
- ✓ Amorphous Materials and Liquids
- ✓ Thin Films and Interfaces
- ✓ Neutron sources and Instrumentation

Poster Awards: Few selected posters will be given awards based on scientific merit by Neutron Scattering Society of India (NSSI).

Important dates

Abstract submission	30 September 2026
Acceptance of abstracts	10 October 2026
Registration	1 November 2026
Request for financial support	1 November 2026

Financial Support
Travel assistance may be given to a few deserving research scholars and associates depending on the availability of funds. Request for financial assistance, along with a certificate from the Head of Department of the parent institute clearly stating that the participant has no access to funds from any other source, must be sent to Scientific Secretary.

Registration
Students and NSSI members: Rs. 3000/-
Scientists and Faculty members: Rs. 5000/-
Delegates from abroad: US\$ 300
